

How to apply for an EV grant in the UK

EV Charging Incentives for Private Individuals

EV charger grant for homes

- Download and complete the [application form](#).
- You must provide evidence of ownership, lease, and be named as the primary user of an eligible electric vehicle in order to be able to qualify for the grant. The registration number of the vehicle must be provided too.
- For more information and to find out if you are eligible, click [here](#).
- For a list of approved installers, click [here](#).

For general enquiries email: **Olev.Enquiries@olev.gov.uk**

To contact the Electric Vehicle Homecharge Scheme (EVHS) directly you can email:

Chargepoint.Grants@olev.gov.uk

EV charger grant for homes in Scotland

- Register and complete the online application form [here](#).
- Upload proof that you own or have recently ordered an EV. Ensure the document has details of the vehicle and your name (or if applicable your employers name).
- If the EV you drive is a company car and your name is not on the proof of ownership or lease, you must provide a copy of the [Annex 1 document](#), which confirms you are the designated driver.
- Upload the quote from your chosen [installer](#).

For more information call: **0131 555 7900**
